Way up high in the tree, **1 red apple**
smiled down at me,
So I shook that tree as hard as I could.
Down came an **apple**,
Mmmm! Mmmm! Good!

Way up high in the tree, 2 yellow pears
smiled down at me,
So I shook that tree as hard as I could.
Down came the pears,
Mmmm! Mmmm! Good!

Way up high in the tree, 3 purple plums
smiled down at me,

So I shook that tree as hard as I could.

Down came the plums,

Mmmm! Mmmm! Good!

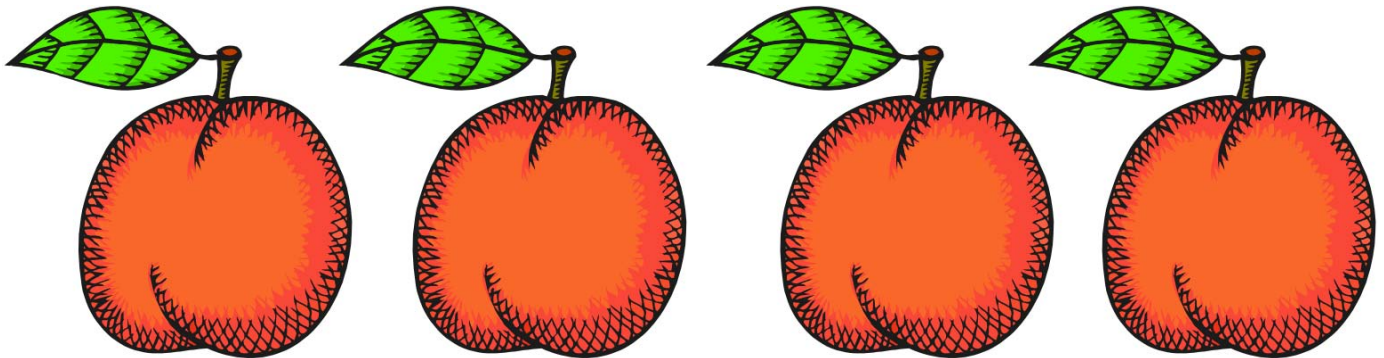

Way up high in the tree, 4 orange
peaches smiled down at me,

So I shook that tree as hard as I could.

Down came the peaches,

Mmmm! Mmmm! Good!

Way up high in the tree, 5 green limes
smiled down at me,
So I shook that tree as hard as I could.
Down came the limes,
Mmmm! Mmmm! Good!
