Is Everybody Happy? Dr. Jean
(Tune: "Shortnin' Bread")

I like money to buy things at the store.
Money, money, money,
I always want more!

A penny's worth one cent.

A nickel's worth five.

A dime's worth ten cents.

A quarter's twenty-five.

I like money to buy things at the store.

Money, money, money,

I always want more!

Lincoln's on one cent.

Jefferson's on five.

Roosevelt's on ten cents.

Washington's on twenty-five.

I like money to buy things at the store.

Money, money, money,

I always want more!

A building's on one cent.

A building's on five.

A torch is on ten cents.

An eagle's on twenty-five.

I like money to buy things at the store.
Money, money, money,
I always want more!
