

Earth Book – Your students will enjoy making this book and taking it home to share with their families. It will work best if you make one or two pages each day and then assemble your book on Friday. You will need to cut 8” squares of the following colors: 2 orange, 1 green, 1 blue, 1 yellow, 1 brown, 1 purple.

Page 1 – Cut the circle pattern out of orange paper.
“My Earth Book”

Page 2 – Cut the tree pattern out of green paper.
“I love the green trees.”

Page 3 – Cut water out of the blue paper.
“I love the blue water.”

Page 4 – Cut the sun out of yellow paper.
“I love the shining sun.”

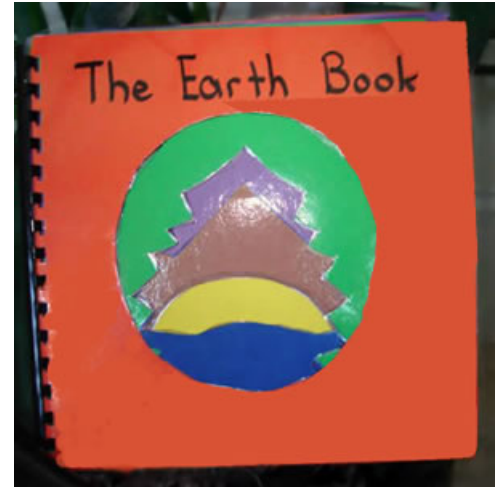

Page 5 – Cut the mountains out of brown paper.
“I love the mountains tall.”

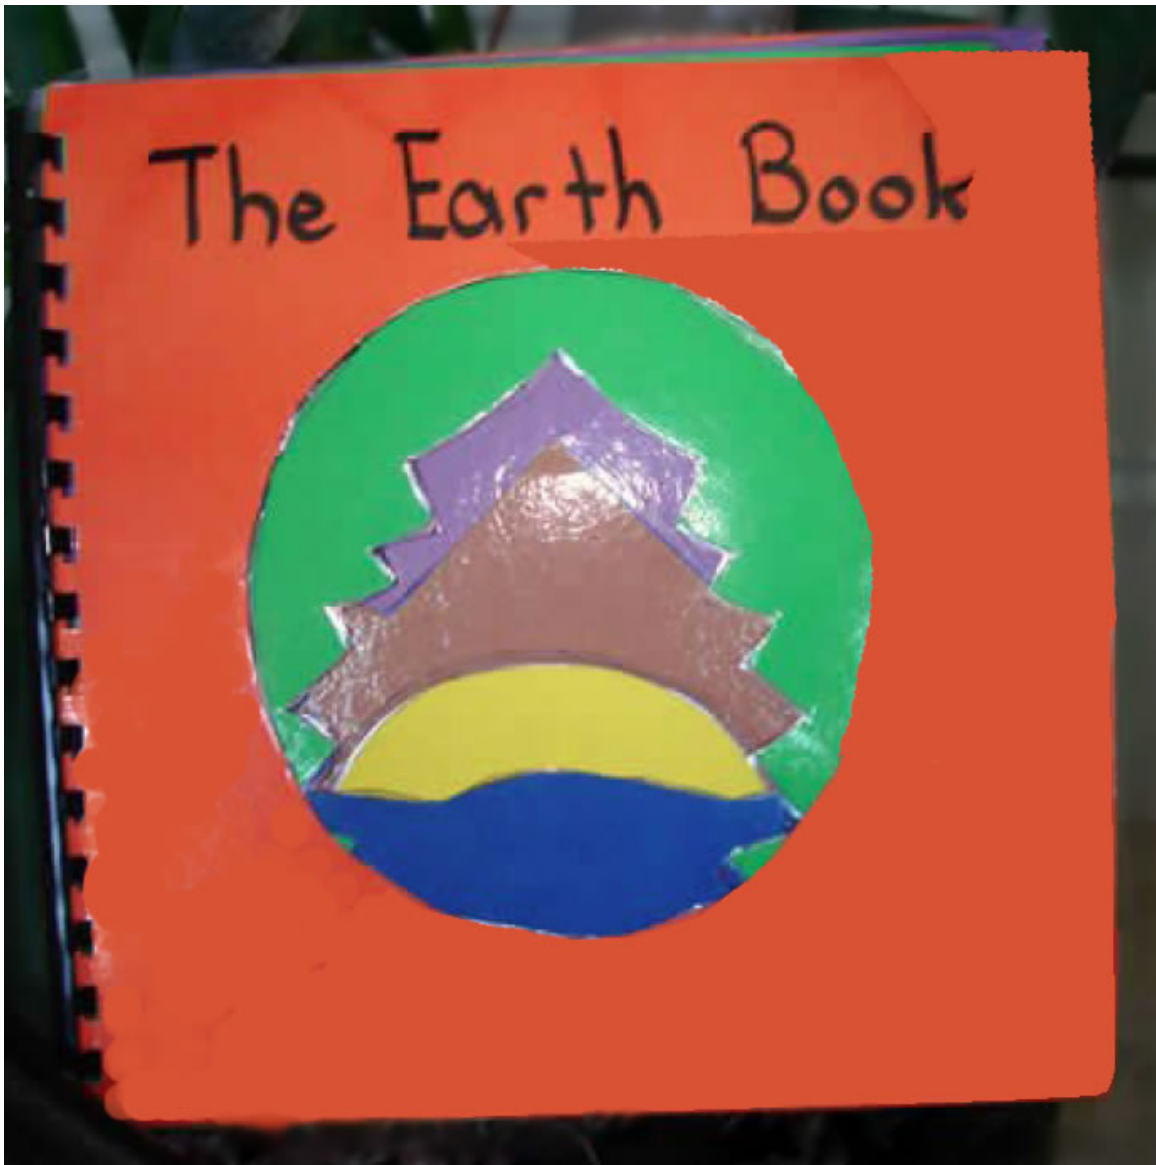

Page 6 – Purple sheet of paper.
“I love the beautiful sky.”

Page 7 – Orange sheet of paper.
“How can you save the Earth?”

Put the pages in order and staple on the left hand side.

Hint! Younger children can tell this story by looking at the pictures. Kindergarteners could label each page. Primary grade children could write their own sentences for each page.
